Description: The 538 is the top bike for the nobility younglings in the inner belt of the Empire (up to 2 jumps from Byzantium Secundus). The Fading Suns equivalent of Ducati Monstro 1000. Variants exist, like the Rk538 (150% autonomy) and the Rv538 (up to 130% max speed, a lot of security options). Those vehicles are powered with a 50~350x60 capacity fusion cell. Even if the pilot is not protected, those bikes have a lot of fail safe measures implemented (auto stabilize, defect landing)
